

Missouri Valley Community Action Agency An Equal Opportunity Employer

Thank you for your interest in employment with Missouri Valley Community Action Agency (MVCAA). The application must be filled out entirely or it will not be considered, even if you attach a resume.

Generally, MVCAA has a large number of applications in the database. For each vacant position each application will be screened to determine if the applicant meets the minimum qualifications for the job and has the skills and abilities that are needed to fill the position. Those applicants who are most qualified will be called for interviews. If you are not given an interview, it simply means that there were applicants who had more experience or whose skills and abilities more closely met the requirements for the job. If you are called for an interview, you will receive a letter informing you of the interview results. If you are not interviewed, you will not receive further notification. All employment applications are kept for a period of one year. If it has been more than one year since you applied you must complete a new application. It is often to your benefit to complete a new application if you have gained experience that has enhanced your job skills even if you have an application on file.

You may return the completed application in person, mail, fax or email to:
